<a href="http://www.avk.unideb.hu">www.avk.unideb.hu</a> , <a href="http://www.date.hu">www.date.hu</a>
Course Programme
Teacher staff profile
Degree obtained at the end of the course
Diploma
Is it a pioneering experience? In which year did it start?
Yes, it is it has started in 2003.
Impact, Evaluation, Results ( <i>4 lines</i> )
The number of students is very low The subjects are interesting and diverse, the lessons are very realistic.
Problems ( <i>4 lines</i> )
low level of interests
Future, Sustainability ( <i>4 lines</i> )
No future without interests
Comments:
The concept is good, the teachers are good and also the subjects are good. The only problem is that the University should find students.
